Jayne is the absolute BEST! She's my regular hairdresser and I trusted her completely to make my bridal hair dreams become a reality and she did exactly that. She did two trials with me to make sure I got exactly what I wanted and although she did a beautiful job she could tell I still didn't feel like myself. So when I came in a month before my wedding to cut all my hair off she was totally supportive and talked me through everything we could and couldn't do if I went shorter. She also did a great job at finding me a talented make up artist which took away a lot of stress for me. With her expertise and talent I felt so beautiful on my wedding day and she made it such a fun experience for me, my young niece and all my bridal party. I would recommend Jayne and the Bride Side to anyone.

ABSOLUTELY AMAZING, I wish I could give more stars, these 2 woman are amazing, I felt so good on my wedding day and I'm not normally one for make up but they did exactly what I asked for, natural look! They just fit in with the morning, joined in with the banter and chat, but didn't take over! Just the perfect balance, my mum even said "aw it's a shame they aren't coming to the wedding"! We just met them hahaha! That's how lovely and easy they are to talk to and be around, can't thank them enough, worth every penny!

Great service from The Brideside for my wedding hair and makeup. Very convenient to book the two services through the same person and Jayme is so so lovely! Both hair by Jayme and makeup by Lois was perfect and lasted all day and night.

I couldn't have asked for a better team for my wedding morning hair and makeup! They were absolutely wonderful—everything I needed and more. From the preparation stage, they were so helpful and understanding, making the lead-up to the big day so much easier.

On the day, they brought such a positive vibe, pulling everyone together effortlessly. They even moved to our venue without any fuss, staying super helpful, funny, and incredibly calming—no small feat, given how nervous I was!

The hair and makeup exceeded my expectations and lasted flawlessly all day and night. I've never received so many compliments, and my bridesmaids and mother-in-law looked stunning too—better than ever!

These are truly the best professional hair and makeup artists I could have dreamed of having. Highly recommend them!

Cannot recommend these girls enough! Booked Lois to do our destination wedding makeup in Gran Canaria this year, she couldn't have been more accommodating and professional. Everything was so straight forward from the moment i messaged, all trials & travel planning to the wedding day itself! As the girls are local to me it made everything that little bit easier and having a makeup artist you can fully rely on for your wedding day is so important! She really put us all at ease even on the day when an extra couple of guests requested to also have their makeup done Lois went above and beyond to make time to fit everyone and it still went seamlessly. Huge thank you & i cannot wait to have my makeup done again soon! ❤️

Jayme and Lois were fantastic and I highly recommend them to everyone. They were both so wonderful with any questions or queries. On the day we all looked stunning thanks to Jayme and Lois and they were super accommodating to older and younger family members alike. Both Jayme and Lois went above and beyond what was expected of which I am super grateful. Thank you both so much for making my day so special!

Jayme recently did my hair for my wedding and did an absolutely amazing job. We had a trial where she made me feel so comfortable and styled my hair exactly how I'd envisioned it. She also styled hair up and hair down for my 4 bridesmaids and they looked beautiful. It stayed in all day and night. She was so easygoing and great fun to have there on the big day. She also arranged the makeup side of things, with Lois doing an incredible job on everyone's makeup. I was nervous about looking too 'made up' as I don't wear a lot of makeup but couldn't have been happier with how she did it and I felt like me on the day.

I would not hesitate to recommend Jayme and Lois to anyone looking for a great hair and makeup team for their wedding - you will be in the best hands!

Jayne was incredible, from prior to booking all the way after the wedding, she made sure I had peace of mind that all beauty related things for my wedding was covered. She and Alix were incredibly accommodating with me and all my girls during the day. Could not recommend the brideside team enough! Thank you again for making sure that I felt my very best on the best day of my life.

If you're looking for a wedding hair stylist who not only brings your vision to life but also makes the whole experience enjoyable, I can't recommend Jayme enough. Not only did she create the most beautiful, elegant hairstyle that held up perfectly throughout my big day, but their warm laidback attitude made the morning of the wedding so much fun.

From the trial to the wedding day itself, Jayme listened carefully to my ideas and helped refine them with professional insights, ensuring I felt completely at ease and confident in their hands. She worked on myself, my two bridesmaids and my mum, who all wanted different things, seamlessly!

If you want a stylist who can do it all, The Bride Side is the one!
